Dear [Sponsor],

We want to take this opportunity to wish you a very happy, healthy and prosperous 2012.

In the recent past, you answered YES to the call to help State Troopers who need your support. Are you willing to keep up the good work?

If so, we have an opportunity you'll like a lot. The American Association of State Troopers is about to kick off the annual phone campaign, but before we do we're contacting faithful supporters like you. Here's the opportunity: help us start strong by making your donation by mail NOW, so we can take your name off the campaign phone calling list. That's one less call you need to squeeze into your busy schedule. It also saves us considerable expense in phone charges, time and paperwork. This makes your generous gift go even farther.

Your kickoff gift will also put fresh heart into scores of dedicated law officers, doing their dangerous duty every day on America's increasingly busy highways. Because we are not a law enforcement agency or other part of government, AAST is free to help state highway patrol officers, state troopers and state police officers...active and retired...across the country with a full slate of supportive services.

AAST members receive a variety of benefits above and beyond what is provided by their individual state agency.

Enjoy the enclosed safety program materials as a sample of our work. Please feel free to use them in your own improvement efforts, and to promote public safety and awareness.

As an organization founded on respect for law, we feel it's important to inform you that a portion of your contribution will fund programs and services for Alabama members of AAST. The remaining funds are used to defray the costs of this sponsor appeal.

Thank you again for encouraging us with a pledge in advance! Your support is greatly appreciated by the Alabama members of AAST. Please visit our website at www.statetroopers.org for more information about our association.

Buckle up for safety!

Why enforce the seat belt law?

- Because the most effective way to protect yourself from harm is to buckle up!
- Most accidents happen on a familiar road, in decent weather, close to home.
- Over 75% of people killed in motor vehicle accidents were not wearing their seat belts!

Remember, most states have seat belt laws, and all states have a child passenger safety law. Buckle up for safety!

The AAST programs would not be possible without community sponsorship and support. **The Association has contracted the services of Xentel, Inc., a paid solicitor that is registered with the state, who shall receive as costs, expenses and fees, a portion of the solicited funds raised through this solicitation campaign.** A portion of the gross sponsorship proceeds is used to defray the expenses of public education, administration and the cost of this appeal. Although the AAST is recognized as a nonprofit organization by the IRS under IRC§501(c)(5), because of its particular status, donations are not tax-deductible as charitable contributions for Federal Income Tax purposes. AAST maintains its headquarters at 1949 Raymond Diehl Road, Tallahassee, FL 32308. For questions about AAST, please call AAST at 1-800-708-AAST. It is illegal to use the name, badge or insignia of any law enforcement agency without authorization. No member of a law enforcement agency can use or allow the organization to use their title, position or any other thing pertaining to police in a solicitation. REGISTRATION WITH A STATE AGENCY DOES NOT CONSTITUTE OR IMPLY ENDORSEMENT, APPROVAL OR RECOMMENDATION BY THAT STATE OF THE PAID SOLICITOR, THE ORGANIZATION OR THE CAUSE THE SOLICITOR REPRESENTS.
