Dear [Sponsor],

We want to take this opportunity to wish you a very happy, healthy and prosperous 2012.

*In the recent past, you answered YES to the call to help State Troopers who need your support. Are you willing to keep up the good work?*

If so, we have an opportunity you'll like a lot. The American Association of State Troopers is about to kick off the annual phone campaign, but before we do we're contacting faithful supporters like you. Here's the opportunity: help us start strong by making your donation by mail NOW, so we can take your name off the campaign phone calling list. That's one less call you need to squeeze into your busy schedule. It also saves us considerable expense in phone charges, time and paperwork. This makes your generous gift go even farther.

Your kickoff gift will also put fresh heart into scores of dedicated law officers, doing their dangerous duty every day on America's increasingly busy highways. Because we are not a law enforcement agency or other part of government, AAST is free to help state highway patrol officers, state troopers and state police officers...active and retired...across the country with a full slate of supportive services.

AAST members receive a variety of benefits above and beyond what is provided by their individual state agency.

Enjoy the enclosed safety program materials as a sample of our work. Please feel free to use them in your own improvement efforts, and to promote public safety and awareness.

AAST Connecticut trooper membership consists of active, as well as retired, troopers. By supporting these trooper members you demonstrate your commitment to the programs for AAST's trooper members in Connecticut and across the country. A portion of your contribution will fund programs and services for members of AAST. The remaining funds are used to defray the costs of this sponsor appeal. Xentel, Inc., our paid fundraiser conducting this campaign, files a financial report for each campaign it conducts. Copies of these financial reports are available from the Connecticut Department of Consumer Protection, Public Charities Unit, 55 Elm Street, Hartford, CT 06106, phone number 860-808-5030.

Thank you again for encouraging us with a pledge in advance! Your support is greatly appreciated by the Connecticut members of AAST. Please visit our website at [www.statetroopers.org](http://www.statetroopers.org) for more information about our association.
