

Choose the right lens.
For the light conditions...

			
Bright, direct sunlight	Full sun to overcast		Low light
			
Neutral Grey The highest available light reduction for bright sunlight – no more squinting. Rich color and contrast.	HCL® Bronze Excellent contrast for everyday variable conditions. Great if you love a warm, subtle bronze tint.	Maui Rose™ The highest contrast available for everyday variable conditions. Excellent for fast moving sports. Provides a subtle rose tint.	Maui HT™ High Transmission, for times when most lenses would be too dark. More contrast and color for early morning, late afternoon and foggy days.

For the action...

Maui Evolution®

Extremely lightweight, scratch- and impact-resistant, with high-performance optics.

Polycarbonate

The lightest choice for long days in the sun. Scratch- and impact-resistant. Injection molded for crisp optics.

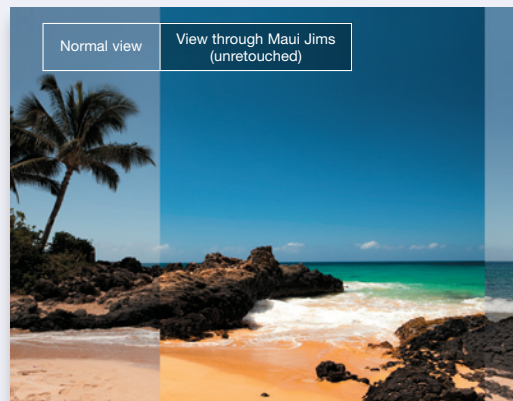

SuperThin (ST) Glass

When clarity is the priority, go with the best optics available. Durable. Scratch-resistant. 20% thinner and lighter than standard laminated glass lenses for long-wearing comfort.

Benefits of Maui Jim sunglasses...

- The #1 Premium Polarized sunglasses on the market are both lightweight and durable.
- Distortion free lens eliminates glare on windshields and back windows.
- Reveals oil slicks and dangerous road conditions.
- The protection you need while patrolling by car or motorcycle.
- Our warranty is unbeatable and our customer service is unrivaled.

See better.
See brilliance.

The difference is impossible to miss. Put on a pair of Maui Jims and, instantly, glare is gone. UV that can damage eyes, gone. The world's true colors come shining through like never before. Bolder. Richer. Crisper. With more contrast and clarity. That's patented, color-infused PolarizedPlus2® lens technology at work in an optically correct, distortion-free lens.

Absolutely brilliant.

MAUI JIM SUNGLASSES
PUBLIC SAFETY PROGRAM

SPECIAL PRICING OFFER

POLARIZEDPLUS[®]2 TECHNOLOGY

POLARIZING FILM

Eliminates reflected glare from any flat, smooth or shiny surface for a cleaner, crisper view. Makes it possible to see below the surface of the water.

BI-GRADIENT MIRROR

Adds protection against glare and UV from above and below with a protective mirror at the top and bottom of the lenses - to squint for you.

ANTI-REFLECTIVE TREATMENT

Blocks reflected light and annoying glare from behind to provide a clear view and eliminate eye fatigue.

WATERPROOF AND OLEOPHOBIC COATING

Waterproof to shed water and snow. Oleophobic to repel grease and make smudges and fingerprints easier to wipe away.

CLEARHELL[®] SCRATCH-RESISTANT TREATMENT

Maui Evolution[®] and Polycarbonate lenses perform better longer with the added durability of our CLEARHELL[®] treatment.

LENS

Maui Jim's optically correct, distortion-free lens featuring patented lens treatments or rare earth elements to infuse views with color.
