Dear Sponsor:

Thank you for your commitment to the Mississippi trooper members of the American Association of State Troopers (AAST). Through your generous contribution, you are supporting an organization dedicated to recognizing troopers and helping fund additional benefits for AAST trooper members.

The American Association of State Troopers is an organization formed and managed by troopers. AAST supports the work of the member troopers nationwide and sponsors programs that provide for and promote the safety and well-being of our communities.

Each day, troopers dedicate their time and energy to build and protect the communities they serve. Through your generous contribution you will be strengthening the cause of law, order and safety on our highways, as provided by the Mississippi members of AAST.

Along with providing trooper member benefits, AAST is active in community relations. The Association participates in several community awareness programs which stress the importance of child restraint in vehicles, the dangers of drinking and driving, and the importance of using seat belts. We support the community by promoting these programs to help improve troopers' lives.

AAST, a non-profit organization, offers membership to all full-time and retired state troopers, highway patrol officers, and state police officers. Thousands of troopers nationwide are members of AAST.

*Thank You* - Your sponsorship is greatly appreciated by the entire Mississippi membership of the American Association of State Troopers.

Sincerely,  
MISSISSIPPI MEMBERS of the  
AMERICAN ASSOCIATION OF STATE TROOPERS

**TOMMY MOORE**  
President
