Dear Sponsor:

Thank you for your commitment to the New York trooper members of the American Association of State Troopers (AAST). Through your generous contribution, you are supporting an organization dedicated to recognizing its trooper members and helping to fund additional benefits for active and retired officers.

The American Association of State Troopers is a national organization formed and managed by troopers. AAST supports the work of troopers nationwide and sponsors programs which provide for and promote the safety and well-being of our communities.

At the national level, AAST provides an alliance with troopers nationwide, and promotes public safety awareness programs. For many officers, giving on the job isn't enough... This has motivated the American Association of State Troopers to some very dramatic and rewarding work in public awareness campaigns dealing with critical issues such as **Child Identification**, and **Don't Drink and Drive**. We are very proud of our involvement.

At the local level, the New York members of AAST consist of active as well as retired New York troopers. Administration is conducted by a board of directors comprised of troopers. The American Association of State Troopers, through your assistance, provides our members with:

- ☆ Emergency brotherhood assistance.
- ☆ A term life insurance policy, as well as accidental death and dismemberment coverage.
- ☆ Scholarship fund for trooper members' dependents.
- ☆ Enhanced camaraderie and the exchange of career-related information with state troopers in New York and other states.

By your support, you demonstrate your commitment to the public awareness programs and provide encouragement to our trooper members. A portion of your contribution will stay in your community to fund administrative costs, programs, services, and benefits for the New York trooper members of AAST. The remaining funds will be used to defray the costs of this sponsor appeal and to support national activities. For fund raising information, call (866) 292-6540.

AAST would like to thank Safety Publications Inc., a paid professional fund raiser, for their assistance with this campaign. Safety Publications Inc. is not affiliated with AAST. A copy of AAST'S annual report/financial statement may be obtained by writing to the Office of the Attorney General, Department of Law, Charities Bureau, 120 Broadway, New York, NY 10271 or by contacting the Association directly at 1-800-708-AAST.

Again, thank you for the support your gift represents. Combined with the contributions of others throughout New York and the United States, it will allow us to continue the fine programs to which AAST is committed.

Sincerely,
AMERICAN ASSOCIATION OF STATE TROOPERS
NEW YORK MEMBERS
