*Dear [Contact],
Thank you for your [Date] pledge of [Sale]!*

Thank you for your pledge to support AAST's North Dakota trooper members! Through your generous support, you are providing the American Association of State Troopers (AAST) with the resources to provide benefits and support to our trooper members in North Dakota and throughout the nation.

The American Association of State Troopers' mission is to provide nationwide camaraderie, benefits, public safety awareness programs, and support for the AAST Scholarship Foundation program. AAST is not a law enforcement agency. Its entire membership consists of active or retired state highway patrol officers, state troopers, and state police officers who voluntarily choose to participate in its programs. The benefits provided to all members of AAST include:

- Brotherhood Assistance
- Term Life Insurance
- Accidental Death and Dismemberment Insurance
- "Trooper Connection," the quarterly newsletter promoting camaraderie, providing professional development information, and circulating information regarding trooper service activities nationwide.

AAST also provides public awareness information on critical issues such as "Child Identification," "Don't Drink and Drive," and other safety related programs. We are proud of our promotion of these public safety efforts and have included a sample of the materials for your review and use.

AAST North Dakota trooper membership consists of active as well as retired troopers. By supporting these trooper members you demonstrate your commitment to the programs for AAST's trooper members in North Dakota and across the country. A portion of your contribution will fund programs and services for members of AAST. The remaining funds are used to defray the costs of this sponsor appeal.

Thank you again for your pledge! Your support is greatly appreciated by the North Dakota members of AAST and by me.

Please take a moment and send your pledged check today!

Sincerely,

Thomas E. Moore
President
American Association of State Troopers, Inc.
