

## Friends of National Rifle Association Raffle Wytheville, VA

### NRA Law Enforcement 50th Anniversary Revolver

Although the NRA's involvement with law enforcement dates back to the 1920's, the division, as we know it today, was formed as a department in 1960 and has grown into the law enforcement division. Since 1960 the law enforcement division has trained well over 50,000 law enforcement instructors and has thousands of police competitors. To commemorate NRA's Law Enforcement Division 50 years of service to law enforcement and military officers of the country, a special Model 10 Smith & Wesson service revolver was created and matching commemorative badge was developed exclusively for *Friends of NRA* Events. Each Smith & Wesson Model 10 features the original design wood duty grips; blue carbon steel medium frame with a 4" barrel with front/rear fixed sights. All are chambered in .38 SW Special +P caliber and have a 6 round capacity. Each is sequentially numbered on the frame in 24K Gold and includes the same matching number NRA Law Enforcement Commemorative badge. The badge was made by Smith & Warren, a long time provider of police badges and includes the NRA Law Enforcement Division Logo with the anniversary dates of 1960-2010. The badge includes an NRA display box. The cylinders on the Model 10 include the following text: *Dedication ; Compassion; Courage; Honor; Duty; Service* in 24K gold plating. The hammer and trigger have been hand jeweled and the barrel includes etch and selective 24K Gold plating text: *NRA Law Enforcement - 1960 50th Anniversary - 2010*. This exclusive edition is limited to 50 units and can only be found at limited 2010 *Friends of NRA* events.
