Dear [Contact],
Thank you for your [Date] pledge of [Sale]!

Thank you for your pledge to support AAST's South Carolina trooper members! Through your generous support, you are providing the American Association of State Troopers (AAST) with the resources to provide benefits and support to our trooper members throughout the nation.

The American Association of State Troopers is a national organization established by troopers for troopers. Its purpose is to provide camaraderie, trooper benefits, public safety awareness programs, and support for the AAST Scholarship Foundation program. The benefits provided to trooper members include:

- Brotherhood Assistance
- \$7,500 Term Life Insurance
- Accidental Death and Dismemberment Insurance
- Line of Duty Death Benefit
- "Trooper Connection"®, the quarterly newsletter promoting camaraderie and the exchange of information about troopers nationwide

AAST provides public awareness information on critical issues such as Child Identification, Automobile Child Restraint, Don't Drink and Drive, and the promotion of Seat Belt usage. We are proud of our involvement in these public safety efforts and have included a sample of the materials for your review and use.

At the local level, South Carolina trooper membership consists of active as well as retired troopers. By supporting these trooper members, you demonstrate your commitment to support programs for trooper members in South Carolina and across the country. A portion of your contribution will stay in your community to fund programs and services for South Carolina members of AAST. The remaining funds are used to defray the costs of this sponsor appeal and AAST National Programs.

Thank you again for your pledge! Your support is greatly appreciated by me and the entire South Carolina membership.

Please take a moment and send your pledged check today!

Sincerely,

Thomas E. Moore

Buckle up for safety!

Why enforce the seat belt law?

- Because the most effective way to protect yourself from harm is to buckle up!
 - Most accidents happen on a familiar road, in decent weather, close to home.
 - Over 75% of people killed in motor vehicle accidents were not wearing their seat belts!
- Remember, most states have seat belt laws, and all states have a child passenger safety law. Buckle up for safety!*

For questions about AAST, please call AAST at 1-800-708-AAST. Please Note: Contributions or gifts to AAST are not tax-deductible as charitable contributions. It is illegal to use the name, badge or insignia of any Law Enforcement Agency without authorization. No member of a Law Enforcement Agency can use or allow the organization to use their title, position, or any other thing pertaining to police in a solicitation. The AAST programs would not be possible without community sponsorship and support. It is for this reason the Association has retained the services of Community Welfare Services, Inc., a professional fundraising firm that is registered to assist with sponsor enrollment and the delivery of services. Registration with a state agency does not imply endorsement. A portion of the gross sponsorship proceeds is used to defray the expenses of publication education, administration and the cost of this appeal. AAST maintains its headquarters at 1949 Raymond Diehl Road, Tallahassee, FL. Although the AAST is recognized as a nonprofit organization by the IRS under IRC§501(c)(5), because of its particular status, donations are not tax-deductible as charitable contributions for Federal Tax purposes. REGISTRATION WITH A STATE AGENCY DOES NOT CONSTITUTE OR IMPLY ENDORSEMENT, APPROVAL OR RECOMMENDATION BY THAT STATE OF THE PAID SOLICITOR, THE ORGANIZATION OR THE CAUSE THE SOLICITOR REPRESENTS.
