W. Wayne York, Chairman
AMERICAN ASSOCIATION OF STATE TROOPERS
Scholarship Foundation
1949 Raymond Diehl Road
Tallahassee, FL 32308

Dear Mr. York:

I want to let you know how much I appreciate the scholarship award I received from your association last week of \$500.00.

I was accepted at John Brown University in Siloam Springs, and started as a Freshman this fall. My major is Outdoor Leadership Ministries, and I hope to use this education to work with youth of all ages. My minor is English, which I hope to be able to use to obtain a teaching certificate.

John Brown University was named 4th in the nation's top colleges in U. S. News & World Report this year. Tuition and housing are expensive, and acceptance standards at JBU are a little higher than the average public university.

The scholarships, grants, student loan and work/study opportunity I have received have been a great blessing. There is no way I would have been able to afford to attend JBU without this help. Your award will help me offset the cost of books and required extra costs for my major.

Thank you again! I hope that this letter will find it's way to all your board members, to let them know how much your award is appreciated!

Best Regards,

Andrea M. Meadows
