Dear Sir:

I want to thank you, again, for providing the scholarship funds to me last year, even though my GPA did not quite qualify me for the award.

This scholarship fund was a tremendous help to me!

I spent the first semester of my second year in college in Ireland, continuing my studies in outdoor leadership ministry. This scholarship helped pay my expenses during that study abroad program. It was quite an experience, though not the first time I have traveled abroad. I participated in the People To People program started by President Eisenhower, and traveled in Australia for a month, in 2006. I raised most of the funds for that trip by myself, and it helped me prepare for last fall's study abroad program.

I am very pleased to say that my GPA has improved during my second year of college, and I plan to continue through my last two years at John Brown University, in the same major I have started.

Thank you again! Your help was greatly appreciated!

Sincerely,

Andrea M. Meadows
