Dear Scholarship Committee,

Thank you for awarding me with the American Association of State Troopers second scholarship. This scholarship is greatly appreciated and will assist me financially as I continue my education.

This fall will be my second year of attending Minot State University to pursue a degree in Music Education. This past year has been both an honor and rewarding experience studying under the supervision of an outstanding music staff and institution. I will continue to work diligently to achieve my goal of being an influential music educator.

The American Association of State Troopers is an outstanding organization, of which my father is a proud member. I consider it an honor to be awarded this scholarship.

Respectfully,

Angela Orluck
