

Dear AAST Scholarship Committee,

I would like to thank you for the very generous scholarship I received for a second year in a row. What you do for the children of your members and the members themselves is to be commended. This scholarship will allow me to focus on keeping my grades high rather than spending all of my time working which would take away from my studying. Words cannot express how much this means to me. I will continue to work extremely hard this year in honor of this scholarship.

Sincerely,

Ashley Thurmes
