Dear Scholarship Foundation Board of Directors,

I would like to thank you for awarding me with a \$500.00 scholarship for college. This scholarship will undoubtedly help me in my pursuit of a higher education. It will come in handy when I have to pay for my books, tuition, and housing fees. I think the scholarship foundation set up by the American Association of State Troopers is a great thing. It is nice to have some financial assistance for what will undoubtedly be an expensive endeavor.

Yours Truly,
