Dear AAST Scholarship Committee:

Thank you so much for the scholarship you awarded me as a benefit to my father, a member of AAST who served 32 years in the Florida Highway Patrol. The money was very helpful while I paid out-of-state tuition at Georgia Tech, and earned my degree in Civil Engineering.

Congratulations on providing this meaningful benefit to State Troopers across the country for so many years. What a terrific way to support your members and their families!

Thanks again,
