Dear American Association of State Troopers,

I would first like to say thank you for choosing me as one of your scholarship recipients. Presently, I am registered to attend Centralia College next year, and plan to attain my Associates in Arts degree within the next two years. After that I plan to transfer to Central Washington University and get my degree in Public Relations.

I know that without financial assistance this would be a difficult goal to achieve. So, once again thanks you for the scholarship money, it is very helpful and will be put to good use.

Sincerely,
