To whom it may concern,

I am deeply honored to be a recipient of one of the 2007 American Association of State Troopers scholarships. This money will allow me to focus on my studies instead of the financial burden of higher education. My intended course of study is an accelerated five year pharmacy program, and this award will go entirely towards this cause. It is my goal to maintain my grades so as to be eligible for the second, and third scholarship awards. Thank you once again for awarding me this scholarship.

Sincerely,
