

To the American Association of State Troopers Scholarship Foundation:

My name is Nicolas Ledo and I am a 19 year old sophomore at Lyndon State College in Lyndonville Vermont. College can be scary in many ways. It is a new environment, new lifestyle, as well as, a quite daunting challenge. I have tried my best over the last year to adapt to these changes as, and with the grades that I have received, I would say I have done a pretty good job. That said the greatest challenge for me has been trying to figure out how to pay for college without putting both myself and my parents in the poor house.

Part of this burden has been taken care of due to the generosity of scholarship organizations such as yourselves. Organizations, such as yours help to push students to seek academic excellence. The reward for such excellence is the removal of some of the financial burden from both themselves, and their families. I wish to write this letter to extend my heartfelt thanks to your organizations second generous contribution to my higher education. I hope to prove a good investment over the next year as I strive to maintain, or improve upon a 3.9 GPA.

Thanks Again.
