Dear Chairman Hicks:

I would like to thank you, the American Association of State Troopers, and the Scholarship Foundation for the \$500 scholarship I recently received. I am extremely honored to be one of the recipients of this award. With the high costs of college education and other associated expenses, this money will be a tremendous help to me this year. It is nice to know that organizations like the AAST are willing to help students with these costs so we may achieve our educational goals. I am currently attending Saint John's University in Queens, New York, where I am majoring in Actuarial Science.

Thank you again for your financial support.

Sincerely,

Ross Hansen
