To whom it may concern:

I would like to sincerely thank you for the scholarship your organization has so graciously provided for my family and me. The funds were used to purchase the books required for this semester. It is organizations like yours who make goals of obtaining a university degree possible. I am currently in my senior year and will graduate with a bachelor's degree in Interdisciplinary Studies in May 2010. Once again, I am truly grateful for the gift and I am honored that I was chosen.

Sincerely,
