Cantonment, FL 32533

To Scholarship Committee:

Thank you for awarding me with the American Association of State Troopers Scholarship. I am a sophomore at Minot State University, majoring in Business Information Technology. This scholarship is appreciated and will greatly assist me financially in achieving my goal of finishing college with little debt.

The American Association of State Troopers is an outstanding organization, of which my father is a proud member. I consider it an honor to be awarded this scholarship.

Sincerely,

Thomas Orluck
